Subject: Willand Neighbourhood Development Plan - Regulation 16 Consultation - formal response

Dear [REDACTED],

Thank you for your email of 16 March inviting us to comment on the Regulation 16 Consultation for the Willand Neighbourhood Development Plan. We congratulate the Neighbourhood Plan Steering Group on their effort and dedication required to arrive at this stage in the planning process.

At Historic England, we mainly focus our engagement on Neighbourhood Plans that seek to make specific site allocations for development. Such site allocations pose the greatest potential for harm to heritage assets, so our detailed advice is of greatest value on those occasions.

We note that the submitted Willand Neighbourhood Plan is particularly modest in scope and is not proposing to allocate specific sites for development; therefore, we do not wish to make any detailed comments regarding the submitted plan.

We have no further comments to make at this point in time, aside from wishing the Neighbourhood Plan Steering Group well with their ongoing work towards a made Plan.

Kind Regards,

[REDACTED]
