In the Summer of 2023, Westcountry Land engaged with Devon County Council as the highway authority regarding a proposed access to 'Area B' of the Tiverton Eastern Urban Extension [TEUE] (page 2, point '4' of the attached Westcountry Land letter).

Please provide a full copy of all the pre-application engagement you have had with Westcountry Land (and any of their professional representatives) for this proposed access to the TEUE. In your response to the above request, please include all documents provided to the Council, as well as all the advice proffered by the Council (and any representatives engaged on your behalf). We expect the response to this request will include (but will not be limited to):

- All written correspondence;
- Meeting notes;
- Details, information and surveys provided to the Council; and
- Copies of any plans provided to the Council.

All information has been provided with expectation of confidentiality until the inspector has finalised their decision. This information is exempt from disclosure under Section 41(1) of the Freedom of Information Act 2000 (Information Provided in Confidence).

Devon County Council can confirm the requested information is held; however, it has been provided by Westcountry Land and its disclosure would constitute a breach of confidence. That breach could bring about a court action against the Council, which would be likely to succeed. Therefore, the information is withheld
