Good afternoon

I have just made the representation and Madam Inspector requested the Appeal Decision be shared which Sue our Parish Clerk has now arranged.

At the same time Mr. Williams indicated he disagreed with my assertion the AD Plant was in breach of production levels. Post my representation I can now add the following:

- OFGEM data over a sustained period clearly confirm production levels close to double the approved level
- secondly the applicant has publicly stated in media based interviews how production at the plant is operating at or above 1mw

It should be reaffirmed the plant is operating above the approved condition along with a number of other breaches

Please share the appeal decision submitted by Sue along with this response to Madam Inspector

Regards

Nick Govier
